

# Hope Rises

Resurrection life is filled with hope and peace,  
mercy and endless love.

Powerful beyond what we can imagine.  
The same power that raised Christ from the dead  
will raise us up as well.

## Hope Rises.

God's hope is deeper and reaches far beyond circumstances.  
His promise holds the power to work all things together for good.

## Hope Brings

In Him is life and wholeness.  
His hope brings life out of death,  
and the power to rise out of difficult circumstances.

## Hope Believes

We do not have to create our own faith.  
Resurrection faith is God's gift of grace.  
God's presence ignites hope to rise  
and overcome doubt and fear.

## Hope Praises

Hope is powerful  
because our God is powerful.  
Hope stands  
in the faithfulness of God.

## Hope Rests

in the assurance that He is  
and He will be faithful to do all that He has promised.  
The burden of proof is on Him.  
It lies on His shoulders, not ours.  
We just need to come and believe.

## Hope Lives

Hope looks forward expectantly.  
Hope dwells in me.  
He is already here.  
Christ in me,  
the hope of glory.

*A deeper life starts now.*
