

# HOLY in the MOMENT

1

## CHOOSE TO BELIEVE

Believing God is a decision, not an emotion. Not every moment is good, but believe God is good in every moment.

2

## CHOOSE TO LOVE GOD

When you love God, you fulfill your purpose. Loving God with all your heart is your best kind of holy.

3

## CHOOSE TO ABIDE

Ask Jesus to show you practical ways to rely on Him during your day.

4

## CHOOSE TO SURRENDER

Trusting God with your deepest concerns enables you to release your rights and let Him guide your life.

5

## CHOOSE TO REST

Rest is knowing your greatest needs are met in Christ. You are loved, forgiven, and accepted.

6

## CHOOSE TO PRAY

Prayer enables you to receive God's ability to do, to know and to love in each situation as it unfolds.

7

## CHOOSE TO LISTEN TO GOD

When God speaks through His Word, you are experiencing God.

8

## CHOOSE TO THINK

Choose thoughts of faith in place of doubt, spirit rather than flesh, truth over lies, and good instead of evil.

9

## CHOOSE TO FEEL

When you don't feel holy, accepted, or victorious, hold on to what is true rather than what you feel.

10

## CHOOSE TO OBEY

Obey in the little things--thoughts, feelings, decisions, conversations, and responses.
