

## *A Christmas Prayer*

Lord, I ask for fresh eyes to see the wonder of Christ this Christmas. Energize my heart to respond with holy awe as I read familiar words and sing traditional carols. Help me to enjoy the activity and fullness of this season without sacrificing worship on the altar of activity and distraction. Whisper words of love and joy to my heart as I reflect on the majesty of Christ. Move me to rejoice, enter, open my treasures, give you my gifts, and obey with a responsive heart. This is my desire, and this is my prayer. In Jesus' name, amen.
